

Nutrison Advanced Peptisorb

Description

Peptisorb is a Food for Special Medical Purposes for use under medical supervision. Peptisorb is a 1kcal/ml low fat, semi elemental tube feed based on short chain peptides and amino acids for the dietary management of disease related malnutrition in patients with malabsorption and/or maldigestion. Peptisorb is nutritionally complete in 1500kcal. Suitable as a sole source of nutrition for adults and children over 6 years of age.

Indications

For enteral use only. GMS listed. ACBS approved, prescribable on form FP10 for the following indications: short bowel syndrome; intractable malabsorption; inflammatory bowel disease; bowel fistulae; disease related malnutrition.

Contraindications

Not for intravenous use. Not suitable for infants under 1 year of age. Not suitable for patients with galactosaemia.

Precautions

Use with caution in children aged 1 - 6 years.

Directions for use

Shake well before opening immediately prior to use at room temperature. Maximum hanging time 24 hours.

Storage

Store in a cool, dry place (5 - 25°C) and away from direct sunlight. Once opened, store in a refrigerator (<5°C) if not being used and any unused contents discarded after 24 hours.

Shelf life

Glass bottle: 15 months. Pack: 12 months.
Best before date: see top of pack or side of glass label.

Ingredients

Demineralised water, maltodextrin, whey protein hydrolysate (from milk), modified starch, acidity regulator (citric acid), soy oil, MCT oil, calcium hydrogen phosphate, tri potassium citrate, potassium di hydrogen phosphate, tri sodium citrate, magnesium chloride, sodium chloride, carotenoids (contains soy) (β -carotene, lutein, lycopene), choline chloride, sodium L-ascorbate, taurine, ferrous lactate, DL- α -tocopheryl acetate, zinc sulphate, nicotinamide, retinyl acetate, copper gluconate, manganese sulphate, sodium selenite, calcium D-pantothenate, chromium chloride, D-biotin, pyridoxine hydrochloride, folic acid, cholecalciferol, thiamin hydrochloride, riboflavin, sodium fluoride, potassium iodide, phytomenadione, cyanocobalamin.

PEPTISORB IS GLUTEN FREE.
